SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

The following patents and articles are cited as potentially pertinent to examination of the above-identified application.

None of the above-cited references are believed to be a bar to patentability of the present invention.

— The following is a certification pursuant to 37 C.F.R. § 1.97(e):

- (1) That each item of information contained in the supplemental information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the statement, or
- (2) That no item of information contained in the supplemental information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application or, to the knowledge of the person signing the certification after making reasonable inquiry, was known to any individual designated in § 1.56(c) more than three months prior to the filing of the statement.

Respectfully submitted,

Applicant
